Engineering

Call for papers

Topics of interest for submission include, but
are not limited to:

- Acoustics and Noise Control
- Aerodynamics
- Biomedical Engineering
- Computational Fluid Dynamics
- Computational Mechatronics
- Composite and Smart Materials
- Emerging Renewable Energy
- Energy Engineering and Management
- Engineering Design Management
- Fluid Mechatronics and Machinery
- Mechanical Design
- Mechanical Power Engineering
- Mechatronics
- Precision Mechatronics, Mechatronics
- Production Technology
- Process Control & Instrumentation
- Motion Control
- Flexible Manufacturing Systems
- Micro and Nano Systems
- Intelligent and AI Based Control
- Robotics
- Automated Guided Vehicles
- Control Applications
- Man-machine Interactions
- Solid Mechatronics
- Noise Control
- Nanomaterial Engineering

Hi! ICMCE 2019

2019 8th International Conference on
Mechatronics and Control Engineering
(ICMCE 2019) will be held in Paris,
France during July 23-25, 2019.

Publication

Submitted papers will go through a rigorous full
peer review process. The accepted
papers(registered and presneted) of ICMCE
